

# SURESH K. JADHAV

## SASA GROUP

FOUNDER & CEO

SERIAL ENTREPRENEUR • VISIONARY • MARATHONER

**Suresh K. Jadhav** is a Serial Entrepreneur and leads multiple businesses through his visionary ideas & strategic skills. His reputation speaks to the quality of service and his excellence through customer satisfaction and timely delivery of the products. Suresh roots from a farmer's family in Western Maharashtra. Mr. Suresh holds a bachelor's Degree in Electronics.

He is the founder of the **SASA Group**. Designing, Prototyping, Manufacturing, Automation and Engineering solutions play a prominent role in the SASA group ([www.sasa-group.in](http://www.sasa-group.in)) of companies. SIM Technologies Pvt Ltd (**SIMTEK**) is his first establishment founded in Y2000. It served as a base for the rapid growth of the entire group of companies. SIMTEK is an Authorized Reseller of **3DEXPERIENCE Works** (formerly SOLIDWORKS) from Dassault Systèmes throughout India & recently diversified into Engineering Services for USA and European markets.

Apart from SIMTEK, he is leading a joint venture Autorcrib Industrial Vending Systems India Pvt Ltd (**Autocrib SA**) with Snap-On Autocrib USA (formerly Autocrib Inc), the World's leading manufacturer of Industrial Vending Machines. He also owns **SASA EnggTech** Pvt Ltd, an engineering fabrication company for complete product development and manufacturing with water jet cutting & Laser cutting technologies.

Through his versatile knowledge and multi-disciplinary skills, he is leading the SASA group of companies to the best. He is taking a stand forward in bringing his ventures to the top by expanding the business and achieving a global response. SASA Group today is at the forefront of trends & technologies such as **Industry 4.0, RFID, Cloud, and Geoinformatics**. Through his innovation and dedication, the SASA Group holds more the 2100 plus diverse customer base throughout India & abroad supported by 150+ skilled Engineers. Their offices are in Chennai, Coimbatore, Pune, Bangalore, and Kolhapur to serve the increased demands of the customers.

He believes in environmental protection for the healthy living of every human on planet Earth. Suresh is a Co-Founder and Vice President of **Tree Ambulance Foundation** ([www.treeambulance.org](http://www.treeambulance.org)), which is a Not-for-profit and Unique Organisation in India, aimed at providing end-to-end solutions like treating diseased trees, relocation of trees, shifting of uprooted trees, Survey of trees, seed bank distribution, aid to plantation drives, student education of tree plantation, etc. Tree Ambulance Foundation aims to have one ambulance in every district of India by involving all stakeholders.

Additionally, he is leading the way of **SASA Enviro and Agrotech** Pvt. Ltd. ([www.sasaenviro.com](http://www.sasaenviro.com)) for environmental and agri-based solutions. SASA Enviro provide tools, techniques, and automation services to ease the adverse impact of rapid industrialization and deforestation on the Environment and agriculture. SASA Enviro is also the parent company of **CTX India** ([www.ctxindia.com](http://www.ctxindia.com)) which is the first registered carbon trading platform in India.

He holds plenty of prestigious awards and honors for his contribution and excellence in the manufacturing domain.
