Customer

- Hydro press industries is one of the leading manufacturers and exporters of various types of filter presses with different sizes and configurations..
- Company website: <https://hydropressindustries.com/>
- Industry: Industrial Equipment (Press Machines)

OUR PRODUCTS:

- Fully Automatic Membrane Filter Press, Semi Automatic Membrane Filter Press, Cold Oil Filter Press, Membrane Filter Press, Oil Filter Press, Tray Filter Press, Filter Press Shifting Machine
- Dual Beam Filter Press, Filter Cloth, Filter Plate, Fully Automatic Filter Press, Paddle Mixer
- Fully Automatic Membrane Filter Press, Gelatin Filter Press, Cloth Hydraulic Filter Press, Hydraulic Screw Pump, Hydro cyclone Separator, Industrial Filter Press, Industrial Mixers, PP Filter Press, Ratchet Filter Press, Recessed Chamber Filter Press, RO Sludge Dry Filter Press, Screw Pump, Twin Screw Pump

Challenges

- Improve designs to eliminate revision errors and rework costs while simultaneously shortening development cycles
- Provide customers with more effective tools for servicing and maintaining Filter Press Machines and equipment

Benefits

- Increased manufacturing output by 40 percent with 3D CAD Design
- Improved product quality
- Using SOLIDWORKS SIMULATION we Solve structural analysis problems
- Cutting Costs, Improving Performance with Simulation
